

## **December 2020 SEEDS Family Event**

### **Environmental Art Sculpture Challenge**

We invite your family to participate in our December challenge to create Environmental art sculptures. Here is a YouTube link to show you what you will be making: <https://www.youtube.com/watch?v=0yknzXuGPC4&feature=youtu.be>

All supplies come from nature. Take a nature hike around your home and collect items. Use these items to create your sculpture together and tell your story about what your sculpture represents.

Please email photos and video clips to Erin at [eguesno@marion.k12.mi.us](mailto:eguesno@marion.k12.mi.us) or text 248-308-5758 by **December 31st**. These memories will be compiled into a SEEDS video to encourage the Marion community to

We are so excited to see what your family creates!
