

MAKE YOUR OWN TRILOBITE!

Flexicalymene retrorsa
from the Midwest of
the United States

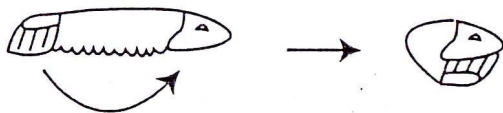

COLOR YOUR TRILOBITE!
THEN FOLLOW THESE STEPS:

To make your TRILOBITE:

1. Cut out trilobite along **thick black lines**
2. Fold trilobite cheeks under glabella and tape
3. Fold left half of tail over right half of tail and tape

Next, to make your trilobite ROLL UP:

4. Cut along **dotted lines**
5. Bend trilobite so that tail is underneath head and tape

6. Tuck trunk segments under head and tape
